IX. The Trustees, so elected shall be three (3) in number, one of whom shall be one of the original owners, their successors, heirs, or assigns, and two (2) of them shall be from among the purchasers of lots until such time as the original owners shall own less than Five per cent (5%) of the lots. Thereafter all three Trustees shall be elected from among the lot owners. Each Trustee shall continue to serve until his successor is chosen at a meeting called by the Trustees of their own motion or upon petition of Ten per cent (10%) of the lot owners. The trustees and their successors duly elected or appointed, accept the trusts upon condition only that each of said Trustees shall be responsible only for his own wrongful act or willful default and not one for the other or others, and upon further conditions that no trustee or his successor hereunder shall ever be held personally liable for injury to persons or property by reason of any act or acts of commission or of omission by such trustees, individually or collectively. The trustees are hereby granted the rights, powers, and authority to receive, hold, convey and administer in trust any gift, grant, conveyance or donation of real or personal property. And, to enter into an agreement or contract with any person, firm or corporation or any private or public agency, employ agents, servants and such other employees as they deem necessary in the performance of their duties, including counsel to advise them and/or to prosecute and defend any actions relating to the subdivisions individually or collectively, in their capacity as Trustees. The act or acts of any two (2) of the trustees shall for the purpose of this Indenture have the same force and effect as if all the trustees performed such act or acts.

X. The Trustees shall have the right to prepare and enforce all reasonable rules and regulations for the enforcement of these restrictions and shall succeed to the powers, rights, authority and responsibility herein before referred to as given to the owners. In all voting whether for the election of Trustees, or for any other purpose whatsoever, each lot or tract shall represent one vote, except that, any lot owner who's assessments are delinquent by two years, as authorized under this covenant, or who is in violation of any restrictions herein contained, shall not be entitled to vote at any meeting.

XI. These restrictions can be changed, modified or amended at anytime in the future by written covenant signed and executed by the owners of Sixty (60%) per cent of all tracts, the said covenant to be and become effective upon recording of the same in the office of the Recorder of Deeds of Warren County, Missouri.

DEDICATION OF COVENANTS, CONDITIONS, RESERVATIONS
AND
RESTRICTIONS FOR CHAPARRAL

XII. All tracts shall be subject to the foregoing protective covenants which shall run with the land and shall be binding on all parties and all persons claiming under them for a period of Ten (10) years at and after which time said covenants shall be automatically extended for successive periods of ten years (10), unless by vote of the majority of the then owners of the lots, it is agreed to change said covenants in whole or in part. Such changes are to be recorded in the Office of the Recorder of Deeds of Warren County, Missouri.

XIII. A cancellation of any one or more of these covenants by judgment, City ordinance, County regulation or other order shall in no wise effect any of the other provisions, which shall remain in full force and effect. Enforcement of the restrictions and covenants of this Indenture shall be by the trustees, either in law or in equity, as it determines. In addition, the owner or owners of lots abutting the lot upon which a violation is occurring shall have the right to proceed in law or in equity against the person or persons violating the covenant, and, in this event, in addition to the costs of court, they shall be entitled to the recovery of reasonable attorney's fee should it be determined by the court that a violation had occurred. The right of enforcement herein conferred upon said trustees shall not supersede nor in any manner impair the right of any owner of any lot in such subdivision to sue in his own name to compel the observance by any owner of a lot or lots in such subdivision, of the restrictions. The waiver or failure to enforce a breach of any restrictions shall not be a waiver of any subsequent breach of restrictions set forth herein.

XIV. The owner and successor Trustees, may assess each lot annually in the amount of \$25.00 for maintenance and upkeep of the streets and roads. Assessment statements shall be mailed to each person affected thereby within the month of February. Payment of such assessment shall be due by the last day of April and, if unpaid, declared delinquent the last day of August. Should any owner become delinquent by two years, at the election of the trustees, either legal action to collect the same may be instituted against such owner and/or a verified copy of said statement may be filed in the office of the Recorder of Deeds of Warren County, Missouri, and thereupon, the amount of that assessment shall become a lien against the lot upon which the levy was made, subordinate only to general taxes and deeds of trust of record. In this event, the trustees shall have the right to sell said property in the same manner as is authorized by Missouri law for sale of the property under deeds of trust, with notice of sale being published in the manner required by such law. In addition to the amount of said lien, there shall be added the costs of foreclosure, including a reasonable attorney's fee. In the event the Trustees pursue legal action to collect the assessment due and owing as a result of non-payment of the assessment by owner, the owner shall be liable to the Trustees for all costs and legal expenses including reasonable attorney's fee incurred by the Trustees in pursuing said legal action.
